PARKING LOT UPDATE:

Construction on the Sonterra extension will begin on August 5th. The entrance to CBC from Sonterra will be closed for several months, and you will be unable to enter the campus from that direction. **All entrances and exits to the campus will only be available at 1604 Frontage Road.**

For those coming to the Sunday 11:30 am and the 2 pm service only, it will be important to allow all cars off of the CBC parking lot from the previous service before we open the parking lot to those entering for the next service.

The parking lot will open for entrance 45 minutes before the service time you attend to enter. For example, if you attend the 11:30 am. service, the parking lot will open at 10:45 am. If you attend the 2:00 pm service, the parking lot will open at 1:15 pm.

We appreciate your patience through this period of road construction. Also, can you help us by loving on our All-Stars, Parking Lot Team, and Officers as they seek to serve our house in these days? They seek to serve you and keep you safe, and because of that, let them know how much you appreciate them.

Speaking of All-Stars, we need your help in a couple of key areas of our church. We are growing at a significant rate, and we need more help in our Hospitality space and our Children's ministry during weekend services. **There's nothing more fun than getting to serve here at CBC, and we need YOU!** Please stop by the Connects area in the lobby, ask one of our All-Stars in a yellow shirt for more information, or visit communitybible.com/serve
